

Marketplace Seller Policy

Document Version	1.5
Effective Date	2026-08-10
Document Owner	Marketplace Operations

Seller Responsibilities

Sellers must provide accurate product information, pricing, inventory status, and fulfillment information.

Product Information

Sellers must not make misleading claims about product specifications, warranty coverage, or condition.

Order Fulfillment

Sellers are expected to dispatch confirmed orders within the handling time specified in their seller agreement.

Policy Compliance

Repeated violations may result in warnings, listing restrictions, suspension, or termination according to marketplace procedures.
